

10 August 1966

Dear Red:

Many thanks for your congratulatory note and the kind words therein. I don't know how long this will keep me in the Washington area but Washington is not my "cup of tea." I am trying to get back into the Army so I anticipate that I will be leaving here early next year.

Nevertheless, I have enjoyed my associations with CIA and hope they will be more frequent during my remaining tour of duty.

Warmest regards.

Sincerely,
